

LeagueApps Coach User Guide

Welcome to the LeagueApps Coach User Guide! We have switched registration platforms for a couple main reasons:

- Easy online registration and payment collection
- Credit card/ACH storage - easily save your card/bank account for future use
- Mobile friendly - you can do everything you need to do from your phone!
- 1 stop shop to see all registration and roster activity for your upcoming tournaments

We're sure there will be some hurdles as we all learn the new system, so we appreciate your understanding during the transition. Below are some helpful links with screenshots to help you get accustomed to the new platform.
