

# Team Laundry

As part of your stay at Cooperstown All Star Village, we are pleased to provide complimentary laundry service for the teams during the tournament week. To help us deliver a smooth and efficient experience, we ask that all teams follow the guidelines outlined below. These procedures are designed to ensure that uniforms and gear are cleaned and returned accurately and on time.

**Please review the following instructions carefully to help us keep everything running smoothly throughout your stay.**

# Team Laundry Service Guidelines

## 1. Laundry Submission

- Following your team's last game of the day, please place your laundry in the corresponding bin within **30 minutes after the game** has ended
- All laundry must be put in the provided laundry bag then in the laundry bins
- Laundry bins are labeled with the initials and numbers that match your bags.  
Ex: Hank Aaron #44 = HA#44
- Please use laundry loops whenever possible.
- Mesh bags are discouraged and should be avoided.

## 2. Game Days Only

- No laundry service is available on check-in day. Laundry service for team uniforms takes place on tournament days 2-5 only

## 3. Gear permitted in Laundry Service

- Players: Jerseys, pants, socks, sliding shorts, chest protectors, undershirts and cage jackets
- Coaches: Polos, pants and cage jackets

## 4. Team Laundry Bags

- Your team will be provided with colored laundry bags in the bunkhouse
- All laundry bags must match the color of the label on your team's bin. This helps us keep items organized and returned correctly.

## 5. Lost & Found

- Lost and found items from team laundry can be retrieved from the Baseball Operations Field Office located near Field 7.
